Recently Renovated Home on Acreage! This tastefully updated home offers an open concept family room with fireplace and natural lighting. The kitchen has been beautifully designed with granite countertops, stainless steel appliances, granite island and beautiful hardwood and travertine flooring throughout. The house features two master bedrooms each with their own entrance. The oversized laundry room offers plenty of storage as well as an abundance of storage throughout the home. Fully landscaped front provides lovely curb appeal while in the privacy of your backyard is a water feature, 2 pergolas, built in BBQ island, and horseshoe pit ready for you to enjoy. Plenty of room to park your rv. This spacious home is located within walking distance to Monterey Road Elementary. Call today for a showing!
